The March meeting will be held at Linda Swartz’s home (1009 Sequoia Drive) and this month’s book is entitled The Guernsey Literary and Potato Peel Pie Society by Mary Ann Shaffer and Annie Barrows. This novel is about a society that was born as a spur-of-the-moment alibi when its members were discovered breaking curfew by the Germans occupying their island. It boasts a charming, funny and deeply human cast of characters, from pig farmers to phrenologists, but all are literature lovers. We welcome all new members and hope to see you there!

MISCELLANEOUS....

INTERESTED? The Pine Ridge Social Committee is always looking for suggestions for activities. An evening game at the Akron Rubberducks has been suggested. Now we need to find out how much interest we have in the Pine Ridge community. The event will also be open to friends and family of Pine Ridge residents. Before going forward with this event, we need input. Possible dates are June 2, 3, 16, 17 and July 7, 8, 21 and 29. Anyone who has an interest in attending this event, please contact Chris Rabes (330-878-4091) **by March 9**. At our next Social Committee Meeting in March we will be making a final decision about whether to move forward with this event.

DONATIONS: The Pine Ridge Social Committee has sponsored many events over the years. Most of these events have been free or partially supported by the Social Committee account. At this time, we now have \$660 in our account. In order to continue events, we will either need donations or an increase in the cost of events. Ohio Condominium Law prohibits the use of “Common Assessments” (monthly dues) on social activities. If you are interested in making a donation to the Social Committee, please place it in the lock box near the front door of the Community Center. Please make your check payable to the Pine Ridge Social Committee. Thank you for your consideration of this project. Your Social Committee.
