SEPTEMBER 2021

## **FROM THE BOARD:**

The 2021-2022 Pine Ridge Executive Board is off and running as a working team. With the diligent efforts of our new Manager, Carl Sommers, and Past President, Mike Myers, assisting we are working hard to address the cosmetic issues regarding landscaping and trees. Both projects are, of course, time restrictive as planting of trees and grasses are recommended at certain times throughout the year. Weeding and trimming are underway and should be caught up very soon along with stump and debris removal. We look forward to the end of Summer and Fall seasons that will bring not only progress, but also enhanced beautification of our community. We ask that residents continue to use communication sheets regarding any concerns or issues with the community grounds and/or individual units.

Todd Civiello, President, PRCUOA Board of Directors

Once again we had a good turnout at the August 11 meeting and Karen Oswald did an excellent job in leading the discussion. Our discussions centered around 1) the early resourceful book women of Kentucky who introduced books, newspapers, magazines and handmade scrapbooks filled with useful information to the back country people of Kentucky; and 2) the hardships and

prejudices endured by the blue people of Kentucky whose skin color is blue due to a genetic lack of adequate oxygen in their blood.

The book selection for discussion at our September 8 meeting is Beneath A Scarlet Sky by Mark Sullivan and Marsha Bender volunteered to prepare and lead the discussion questions.

We welcome and encourage all Pine Ridge residents who love to read to attend the Book Club meetings held on the second Wednesday of each month at 7:00 PM at the Community Center. Attendees can bring their own snacks/drinks, if they would like to do so. Hope to see you there!
