APRIL 2022

FROM THE BOARD:

We welcome Spring with open arms and with the change in season we introduce our new grounds maintenance crew, Schoenbrunn Landscaping. They will be handling the grounds with oversight from our manager, Carl, moving ahead and improving processes and procedures for weekly mowing, trimming and cleanup. Please communicate any landscaping concerns via Communications Worksheets to Carl.

This year we are also excited that the Pine Ridge Community Garage Sale will be back in full swing. The sale will take place during the Strasburg Garage Sales and be held on Thursday and Friday of that week. All are welcome to participate and we ask that anyone needing a table, please limit borrowing to ONE TABLE PER UNIT.

A brand new website is currently being designed and built to offer additional points of contact, communication and resources for residents. We look for this to be completed in the next 60 days.

Finally, stop sign and speeding violations are at an all-time high. The Board, trying to not be police, have been lenient about enforcement until now. Signs will be placed at entrances explaining that violators will be cited by way of an assessment on the unit owner. There will be a month of this and additional speed bumps will be placed if issues have not improved.

We look forward to Pine Ridge shining bright this year and our residents having added pride in their community.
