JUNE 2022

FROM THE BOARD:

The Board would like to thank the residents who have made the effort to abide by the traffic signs and speed limits. Violations are fewer each day moving ahead.

Our Dundee/Strasburg Road tree project is underway with turf repair, smoothing, and seeding of grass to take place in a few weeks.

The significant amounts of rainfall have blessed us with green grasses and happy trees. However, this has led to very fast growing grass and the landscapers are doing their best to keep up. Trimming and weed eating are being completed as best as possible given the fast growth.

We expect a beautiful landscape for all to be proud of during your Memorial Day activities.

The Board is aware of some very important project requests that have been on our radar or recently been discussed. We are working toward all necessary projects and prioritizing them by a number of factors to be completed within time and budgetary constraints.

As always, we welcome all residents to join us at the Board meetings and urge your attendance at the annual meeting and election coming in a few months.

Welcome to the beginning of Summer and enjoy the upcoming Memorial Day weekend honoring those who made the ultimate sacrifice for our country.
