FROM THE BOARD:

Please join us in making our new landscaping crew feel welcome. Schoenbrunn Landscaping has begun the seasonal work here in Pine Ridge. You will notice some exciting changes to our schedule including mulching earlier in the season, improved maintenance and cleanup of beds and mulched areas, and more. Along with the welcome changes in landscaping is the continuation of our tree project. This week we have seen the cutting down of trees along the Dundee-Strasburg Road as well as other locations throughout the neighborhood. The stumps at the rear of the property are also being tended to. Please understand that cleanup from the stump grinding will take some time as it is messy. Rest assured that once grass planting takes place, then followed by tree planting in the Fall, Pine Ridge will be back on track to an improved beauty we all expect and love.

You have likely noticed the signs welcoming everyone to maintain safe driving habits inside the development. These were necessary to inform not only guests, but everyone to please abide by the rules and stop signs. We hope that the signs will bring awareness and change allowing us to eliminate the need for speed bumps. We hope!

As always, please use Communication Worksheets to the Board and Manager with questions or concerns and all are welcome to join and participate in monthly Board meetings. Enjoy the Spring!
