**NOVEMBER 2022**

## **FROM THE BOARD:**

With the Season of Fall showing its beauty here in Pine Ridge, we show appreciation to all involved in the numerous landscaping, beautification, and tree projects this year. We have been able to adjust throughout the year to setbacks, changes, and all kinds of challenges as a community.

A number of our residents were surveyed by Chris Rabes recently and asked what they loved about living at Pine Ridge. Chris happily reported all kinds of positive answers including community gatherings, feeling at home, the beautiful neighborhood, and our wide open spaces.

As we move into the colder months, we remind residents to please clean up porches, patios, remove planted items from beds, and other general things that come with preparing for winter. If you have any special requests, medical requirements, or issues when it snows, please fill out a Communication Sheet to the Manager, Carl, expressing those needs and requests so that they can be accommodated.

Moving into the winter season, Mike and Chris Rabes have acted on some feedback and through the Social Committee they are forming a Welcoming and Information Committee to welcome new owners and residents, as well as update existing residents on the By-Laws, changes in the community, and maintaining an informed Association. We thank them for these developing efforts and look forward to a closer and more involved community.

In closing, the Board and residents sincerely appreciate our Admin Assistant, Monika, for all of her hard work and Colleen Crowley for her oversight and effort in preparing our monthly Newsletter. Enjoy the Fall season, stop often and enjoy the gifts we have been given, and most of all, enjoy the neighbors and friends in your life.

Items will be collected **from November 26-December 10.** Please place donated items in boxes located inside the Community Center. Any monetary donations should be put in an envelope marked "Community Project" and placed in the lock box outside the Community Center. Please make all checks payable to "Carpenter's Cupboard Food Pantry." Hope you will participate in this project and help others in need in our community.

**WELCOME COMMITTEE:** A new resident Welcome Committee has been created by the Pine Ridge Board. Mike and Chris Rabes have agreed to take on the responsibility for this committee. Their role will be to visit new residents and provide them with important information pertaining to the community, and also provide residents with a small welcome gift. New residents will then be able to contact Mike or Chris with any questions they may have concerning our community. We hope this will help new residents to become familiar with our community and its rules and regulations.

**WHAT'S TO LIKE ABOUT LIVING IN PINE RIDGE?** Recently some residents responded to that question. Here are their responses:

1. Walking paths and ponds.
2. All of the open space.
3. Having bushes and trees trimmed for them, but still able to plant and tend to their own flowers.
4. It's quiet and safe here.
5. Activities provided at the Community Center.
6. Great neighbors.
7. It has a feeling of community.
8. It feels like home!
9. I like everything!
