FEBRUARY 2023

FROM THE BOARD:

The Pine Ridge Community has leaped into the 2023 year strong. At Pine Ridge, we have welcomed new residents, celebrated special occasions, grown as a community, and witnessed many improvements to our neighborhood. We encourage everyone to take action this New Year by participating in the many wonderful activities and events that are planned here throughout the year. We ask that everyone review your Handbook and By-Laws and please drive carefully inside of our community. If you do not have a Handbook or have questions about the contents, please contact a Board Member or the Community Center Office.

Looking ahead into the coming months, several projects will either commence or continue under the direction of our Manager Carl. The Board has diligently and carefully planned and budgeted these projects to ensure we all benefit from the outcomes. Please make sure to utilize the Communication Sheets when you have questions, concerns, complaints, or any other issues. Monthly Board meetings are held and open to the entire community to hear about what is going on and add your voice to the conversation. Pay attention to the sign in front of the Community Center building as it will be replaced soon and allow us even better communication and advertising of the happenings here in Pine Ridge.

A reminder that when renting or using the Community Center, it is your responsibility to empty the trash after any and all events. Part of your deposit will be forfeited if this is not completed.

A special thank you to the residents who have been actively participating in our Board meetings. Your message, concerns, and participation ensure strong communication between the Board and the community and we appreciate all of the feedback we can get.
