## **FROM THE BOARD:**

Pine Ridge is seeing all kinds of activity this Spring in preparation for the beautiful weather. Our landscapers have begun cleanup, trimming, and mulching. Carl has changed our fountains and they are looking grand. Power washing and painting projects will begin soon. We remind everyone to fill out communication sheets for work needing done, complaints, compliments, and requests. The Spring also brings new projects that require a variance form to be completed. Our Architectural Committee will assist you with the process and help maintain the wonderful aesthetic in the community. Contact Bill Murphy and his team for details.

We thank everyone for their attendance and input at the last Board meeting and, as always, welcome residents to join and participate.

Many social activities have been planned and scheduled. Please visit our website at [PRCUOA.com](http://PRCUOA.com) to see a current calendar listing all activities and important dates.

The Garage Sales season is fast approaching. In preparation for the event, please work with the Social Committee and Board to properly prepare for that weekend. We will have many guests throughout the neighborhood looking to find their next bargain.

Take advantage of all the opportunities we have for outdoor activities here at Pine Ridge. We have clean and well-maintained solid surface walking paths, four ponds that offer fishing and relaxing views, a fire ring for evening enjoyment, many nature scapes for photography and sightseeing, and countless green spaces for your use. Enjoy the season!
