OCTOBER 2023

FROM THE BOARD:

The Board of Directors have been called to action in a number of residences here at Pine Ridge. A recent situation has raised some eyebrows with regard to the safety and security of all of us as residents. A number of people in our community are very active and social throughout the Association, others may not know as many people, or may just simply keep to themselves. Every once in a while, someone has a time of need, and being able to assist or address those needs is the duty of all of us as neighbors.

Over the next few weeks, an Emergency Contact List will be put together for residents. This list, while voluntary, will allow the Board and other necessary parties the ability to communicate with someone that you list as an emergency contact in case there is a need. Recently a resident fell and was left without aid for quite some time. Once noticed, there was no info about who to call and inform about this situation. Some of us will put down the name of our neighbor or a family member. Others will list a friend or someone else. It doesn't matter who you put, as long as there is someone that can be reached if a situation arises where they are needed. The Emergency Contact List will be a valuable resource for everyone involved. Please let us know if you have any questions and we will provide more info moving forward as this project completes.
