SEPTEMBER 2023

FROM THE BOARD:

And just like that Summer is coming to an end. With the change of season, we welcome a new grouping of projects that will be starting soon. Around our neighborhood there will be repairs to driveways, walking path and streets, along with a number of areas that show drainage issues. The power washing project is showing great results and will continue to its completion late next month.

New Board member Bob Fuller has volunteered to start a Pine Ridge handbook update project along with the assistance of a number of Board members and staff. New Board member, Ron Tarleton will be joining the Architectural Committee and working with Todd Civiello during the transition. Our Social Committee has some wonderful events and gatherings planned over the next few months going into the holiday season. A lot of great things to look out for.

A reminder to please fill out Communication Worksheet forms for all concerns, issues and suggestions and give them to the office or place them in the drop box at the Community Center.
