## **FROM THE BOARD:**

And just like that, the rain has finally slowed allowing our landscaping crew to start catching up on the mowing and trimming. Our manager, Carl, is working hard to keep the community looking fresh and clean. With a few more shrubs to pull and trees to trim we should be looking even more spectacular very soon.

A reminder to residents that while decorations in your mulch beds and doors are always welcome, anything plastic is against the By-laws and should not be used. This includes pinwheels, planters, decorations, and other items that are plastic or similar materials.

The Architectural Committee is welcoming residents to join the group. They meet monthly on the first Saturday to assist residents with improvements to units and the neighborhood. Feel free to communicate with Ron Tarleton (Chair) or Colleen Crowley (Admin) if you wish to join.

Coming in July to the Pine Ridge Community will be our Annual Meeting and Election of Board members. This year there are two spots up for election. Please submit any nominations to the Board as soon as possible to be included in the mailer and next month's meeting notice.
